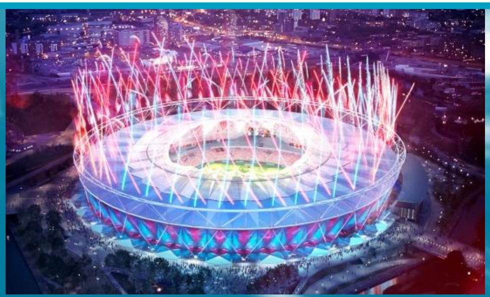
2013 half-year results presentation

14 August 2013



Forward-looking statements

This presentation may include certain forward-looking statements, beliefs or opinions, including statements with respect to Balfour Beatty plc's business, financial condition and results of operations. These forward-looking statements can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "plans", "anticipates", "targets", "aims", "continues", "expects", "intends", "hopes", "may", "will", "would", "could" or "should" or, in each case, their negative or other various or comparable terminology. These statements are made by the Balfour Beatty plc Directors in good faith based on the information available to them at the date of the 2013 half-year results announcement and reflect the Balfour Beatty plc Directors' beliefs and expectations. By their nature these statements involve risk and uncertainty because they relate to events and depend on circumstances that may or may not occur in the future. A number of factors could cause actual results and developments to differ materially from those expressed or implied by the forward-looking statements, including, without limitation, developments in the global economy, changes in UK and US government policies, spending and procurement methodologies, and failure in Balfour Beatty's health, safety or environmental policies.

No representation or warranty is made that any of these statements or forecasts will come to pass or that any forecast results will be achieved. Forward-looking statements speak only as at the date of the 2013 half-year results announcement and Balfour Beatty plc and its advisers expressly disclaim any obligations or undertaking to release any update of, or revisions to, any forward-looking statements in this presentation. No statement in the presentation is intended to be, or intended to be construed as, a profit forecast or to be interpreted to mean that earnings per Balfour Beatty plc share for the current or future financial years will necessarily match or exceed the historical earnings per Balfour Beatty plc share. As a result, you are cautioned not to place any undue reliance on such forward-looking statements.

Summary of first half 2013

- Order book for continuing business at £13.9bn
- PS stable, but adverse impact from downturn in Australia
- Poor performance in UK construction; management action taken
- Good growth prospects for Support Services
- Investments providing a continuing source of value, strong H1 execution
- Balance sheet strength, comfortable headroom
- Interim dividend maintained despite reduced profitability

ANDREW McNAUGHTON

Chief Executive Officer

Agenda

- Operational developments
  - Actions to strengthen the business in the UK and Australia
  - Update on the USA
  - Update on disposals
- Strategic initiatives
  - Continuing to grow business in infrastructure and in attractive growth markets

UK construction business

- £50m profit shortfall
  due to operational issues
- Difficult market conditions
- Disruption caused by
  restructuring programme
- Plan of action
  - ➔ Bolster bench strength
  - ➔ Focus on key customers

Balfour Beatty

Improving strength of UK construction business

- Closed regional units with weak future prospects
- Appointed new CEO of UK construction
- Aligning organisation more closely with customers
- Delivering the intended results
  - Regional business improving
  - Major projects outcome less immediate
- 2013 targets deliverable

Taking swift action in Australia

- Significant reduction in workforce
